## The Greatest Music of all the World

If the Victrola did nothing but bring to you the soul-stirring arias and concerted numbers of opera, beautifully rendered by the world's greatest artists, that alone would make it a treasured addition to your home.

But besides the compositions of the great masters, the Victrola brings into your home a wonderful variety of music and mirth that satisfies alike the longing for musical harmonies and the taste for sheer entertainment.

Whether you wish to hear the superb voice of Caruso or Melba; the witty songs of Harry Lauder or Nora Bayes; exquisite instrumental solos by Kreisler or Paderewski; stirring selections by Sousa's Band or Victor Herbert's Orchestra—the Victrola brings them to you true to life, just as they are rendered by the same artists in the great opera houses and theatres of the world.

And as you sit and enjoy all these musical riches, you will marvel at the varied accomplishments of the Victrola and thoroughly appreciate its value as a companion and entertainer—a treasured possession in your home.

To insure Victor quality, always look for the famous trademark, "His Master's Voice." It is on every Victrola and every Victor Record. It is the only way to identify genuine Victrolas and Victor Records.

—**YOU** and your family will spend many a happy and profitable hour at home this winter if you freshen up the musical facilities of your home—**THE TIME** to make provision for happy hours at home this winter is **NOW**, upon the threshold of winter. **A GOOD WAY** is to procure a Victrola, or if you have one, then a supply of new records.
